Dear Community Partner:

## **Tay Township 2022 Budget Tax Rate Target Set at 1% or Less**

At their June 23, 2021 meeting, Tay Township Council directed staff to prepare a draft 2022 municipal budget that limits the increase required to 1% or less, recognizing the financial challenges many of our community members have faced throughout 2020 and 2021 as a result of the COVID-19 pandemic.

Council also directed staff to advise our valued community partners of this target so that requests for municipal funding can be formulated to conform to Council's target increase.

As such, please share Tay Council's request with the appropriate individuals and board or committee members within your organization as you deem appropriate.

Tay Township is already underway with the preparation of its 2022 budget. Council Committees will be hearing delegations on budget topics during August, September and October. If your organization requires a delegation, particularly if there are significant changes to either your activities or funding request, please contact Cyndi Bonneville, Municipal Clerk, at [cbonneville@tay.ca](mailto:cbonneville@tay.ca) or 705.534.7248 x240 as soon as possible, as delegation spaces are limited and in high demand.

For financial inquiries, please contact Joanne Sanders, Manager of Financial Services, at [jsanders@tay.ca](mailto:jsanders@tay.ca) or 705.534.7248 x226.

Best Regards,
