INDEPENDENT AUDITOR'S REPORT

To the Board Members of Severn Sound Environmental Association:

Opinion

We have audited the financial statements of Severn Sound Environmental Association, which comprise the statement of financial position as at December 31, 2021, and the statements of operations, the change in its net financial assets (debt) and its cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Severn Sound Environmental Association as at December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with
Canadian public sector accounting standards, and for such internal control as management determines is
necessary to enable the preparation of financial statements that are free from material misstatement, whether due
to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

PAHAPILL and ASSOCIATES Chartered Professional Accountants Professional Corporation

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.

 Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events in a
 manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE FINANCIAL STATEMENTS Year Ended December 31, 2021

Severn Sound Environmental Association (the "Association") is a water management agency established in 2009 by a letter agreement among local Municipalities, Environment Canada and the Ontario Ministry of the Environment.

The local Municipalities are the Town of Midland, Town of Penetanguishene, Township of Tay, Township of Tiny, Township of Oro-Medonte, Township of Severn, Township of Georgian Bay, and the Township of Springwater.

1. SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Association are prepared by management in accordance with public sector accounting standards for local governments as recommended in the Public Sector Accounting Board "PSAB" of the Chartered Professional Accountants Canada. Significant aspects of the accounting policies adopted by the Association are as follows:

Basis of Accounting

- (i) Accrual basis of accounting
 Revenues and expenses are reported on the accrual basis of accounting. The accrual
 basis of accounting recognizes revenues in the period in which the transactions or events
 occurred that give rise to the revenue; expenses are recognized in the period the goods or
 services are acquired and a legal liability is incurred or transfers are due.
- (ii) Non-financial assets

 Non-financial assets are not available to discharge existing liabilities but are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.
 - (a) Tangible capital assets
 Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset.
 Tangible capital assets received as donations are recorded at their fair value at the date of receipt. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

Equipment - 4 to 10 years Wells - 35 years Vehicles - 10 years

Annual amortization is not charged in the year of acquisition.

NOTES TO THE FINANCIAL STATEMENTS Year Ended December 31, 2021

(b) Pension agreements:

The Association is an employer member of the Ontario Municipal Employees Retirement System (OMERS), which is a multi-employer, defined benefit pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. The Association has adopted defined contribution plan accounting principles for this Plan because insufficient information is available to apply defined benefit plan accounting principles. As such, the Association's contributions due during the year are expensed as incurred.

(c) Employee future benefits:

Vacation entitlements are accrued for as entitlements are earned. Sick leave benefits are accrued when they are vested and subject to pay out when an employee leaves the Association. Non-vesting sick leave benefits are accrued and subject to pay out if employees chose to top up their salary under the short-term sick leave plans.

Revenue recognition (iii)

Conditional grant revenue is recognized to the extent the conditions imposed on it have been fulfilled. Unconditional grant revenue is recognized when funding is receivable.

All revenue other than government transfers and interest revenue, is recognized when received.

Interest revenue is recorded when earned.

Government Transfers (iv)

Government transfers, which include entitlements and legislative grants, are recognized as revenue in the financial statements when the transfers is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled. Government transfers consist of grants and subsidies for various operating and capital programs.

Deferred Revenue (v)

Deferred revenue represents funds which have been applied for and collected but for which the related services have yet to be performed. These amounts will be recognized as revenues in the fiscal year the services are performed.

Use of Estimates (vi)

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. The principal estimates used in the preparation of these financial statements are the useful lives of tangible capital assets and the allowance for doubtful accounts. Actual results could differ from management's best estimates as additional information becomes available in the future.

In addition, the Association's implementation of the Public Sector Accounting Handbook PS3150 has required management to make estimate of historical cost and useful lives of tangible capital assets.

NOTES TO THE FINANCIAL STATEMENTS Year Ended December 31, 2021

(vii) Collections

Collections, including works of art and historical treasurers, are not capitalized in the statement of financial position. Purchases of collection items are expensed in the year in which the items are acquired. Contributions of collection items are reported as revenue and expense at their fair value. When fair value cannot be determined, the contribution is recognized at nominal value.

2. DUE FROM RELATED PARTIES

The Association received \$1,026,975 (2020 \$945,447) in Municipal contributions from related parties.

The Treasurer Municipality (Township of Tay, effective Jan 1, 2018) collects receivables and remits payments to vendors on behalf of the SSEA throughout the calendar year. As such, the balance due from related parties as at December 31, 2021 of \$631,059 from the Township of Tay (2020 \$379,997) represents the remaining operating funds held by the Treasurer municipality once all financial assets and liabilities are settled.

Amounts due to/from related parties consists of \$34,051 due from participating municipalities which is included in accounts receivable, \$5,050 due to participating municipalities, which is included in accounts payable, and \$9,334 due to Township of Tiny for a loan provided to purchase a vehicle, which is included in long-term debt at December 31, 2021.

These transactions are in the normal course of operations and are measured at the exchange value (the amount of consideration established and agreed to by the related parties), which approximates the arm's length equivalent value for sales of product or service.

3. DEFERRED REVENUE

The 2021 continuity of transactions within general deferred revenue are described below:

	_	Balance ginning of year	 entributions received	t	Amounts aken into revenue	_	Balance d of year
Grants Tree distribution Honey Harbour survey Inland Lakes RMO project Other projects	\$	13,863 5,434 5,908 -	\$ 48,803 30,795 15,648 - 69,114 38,311	\$	(40,485) (39,020) (10,129) - (57,886) (29,718)	\$	8,318 5,638 10,953 5,908 11,228 8,593
	\$	25,205	\$ 202,671	\$	(177,238)	\$	50,638

NOTES TO THE FINANCIAL STATEMENTS Year Ended December 31, 2021

4. EMPLOYEE FUTURE BENEFITS

An actuarial estimate of future liabilities has been completed using the most recent actuarial valuation in May 2020 and forms the basis for the estimated liability reported in these financial statements.

The following table sets out the continuity of the accrued benefit obligation.

	2021		2020
Accumulated sick leave entitlements Accrued health and dental benefit liability	\$ 40,300 59,500	\$	37,600 53,400
, 1001.000	\$ 99,800	\$_	91,000

Information about the accumulated sick leave entitlements and accrued health and dental benefit liabilities are as follows:

are as follows:	2021	2020
Accumulated benefit obligation, beginning of year Add: Benefit/service cost Add: Interest Less: Amortization of actuarial gains Less: Benefit contributions	\$ 91,000 8,300 4,200 4,000 (7,700)	\$ 82,400 8,000 4,000 4,000 (7,400)
	\$ 99,800	\$ 91,000

The significant actuarial assumptions adopted in measuring the Association's accrued benefit obligations are as follows:

	2021	2020
Discount rate	3.00 %	3.00 %
Salary escalation	2.00 % 6.00% for 2020 reducing by 0.20% in each year to an ultima	2.00 % te rate of 4%
Dental premium rates Health premium care rates	7.07% for 2020 reducing by 0.15% in each year to an ultima	te rate of 4%

NOTES TO THE FINANCIAL STATEMENTS Year Ended December 31, 2021

5. LONG-TERM DEBT

(a) The balance of the long-term debt reported on the Statement of Financial Position consists of

	2021			2020
ownship of Tiny, due July 2022, repayable in annual payments of \$9,333 interest free and is unsecured.	\$	9,334	\$	18,667
	\$	9,334	\$	18,667
b) Future estimated principal and interest payments on the long-te	m debt			
b) Future estimated principal and interest payments on the long-te			ws:	Interest

(c) Total charges for the year for long-term debt which are reported in the financial statements are as follows:

\$

9,334

ionows.	2	021	2020	
Principal payments	\$	9,333	\$	9,333
	\$	9,333	\$	9,333

6. TANGIBLE CAPITAL ASSETS

The following table provides information on the tangible capital assets of the Association by major asset class.

	E	flachinery quipment and Furniture	Wells	 Vehicles	TOTAL 2021	TOTAL 2020
COST Balance, beginning of year	\$	142,694 16.008	\$ 169,123	\$ 25,409	337,226 \$ 16,008	296,443 40,783
Additions and betterments BALANCE, END OF YEAR		158,702	 169,123	25,409	353,234	337,226
ACCUMULATED AMORTIZATION Balance, beginning of year		102,689 8.803	5,417 5,417	- 2,541	108,106 16,7 <u>61</u>	95,717 12,389
Annual amortization BALANCE, END OF YEAR		111,492	10,834	2,541	124,867	108,106
TANGIBLE CAPITAL ASSETS-NET	\$	47,210	\$ 158,289	\$ 22,868	228,367 \$	229,120

NOTES TO THE FINANCIAL STATEMENTS Year Ended December 31, 2021

7. ACCUMULATED SURPLUS

The Association's accumulated surplus balance is comprised of the following:

	2021		2020	
Invested in tangible capital assets (Note 6) Reserves and reserve funds Unrestricted surplus (deficit) Amounts to be recovered in future years	\$	228,367 375,906 217,938 (109,134)	\$	229,120 143,476 168,350 (109,667)
	\$	713,077	\$	431,279

8. PENSION AGREEMENTS

The Association makes contributions to the Ontario Municipal Employees Retirement System ("OMERS"), which is a multi-employer pension plan, on behalf of full time members of staff. The plan is a contributory defined benefit plan, which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the Plan) by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2021. The results of this valuation disclosed total actuarial liabilities of \$119,342 million with respect to benefits accrued for service with actuarial assets at that date of \$116,211 million indicating an actuarial deficit of \$3,131 million. Because OMERS is a multi employer plan, any Plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Association does not recognize any share of the Plan surplus or deficit.

The amount contributed to OMERS for the current year was \$49,170 (2020 \$42,043) for current service and is included as an expense on the Consolidated Statement of Operations.

9. GOVERNMENT TRANSFERS

Government transfers include monetary transfers based on cost-sharing agreements between the levels of government. Specific funds are also transferred when the Association provides evidence that the qualifying expenditures have been incurred. The Association also receives government transfers once certain criteria have been met or with the stipulation that the funds are used for specific projects or expenses (entitlements with stipulations). Any transfers received where the transfer stipulations have not been met by year-end are recorded as deferred revenue.

The amount of funding provided to the Association for each project is subject to final review and approval by these government organizations. As at the date of these financial statements, funding for the ongoing projects have not been subject to this review process. Any future adjustments required as a result of this review will be accounted for at that time.

10. BUDGET FIGURES

The unaudited budget adopted for the current year was prepared on a fund basis, and has been amended to conform with the accounting and reporting standards adopted for the current year actual results.

NOTES TO THE FINANCIAL STATEMENTS Year Ended December 31, 2021

11. IMPACT OF COVID-19

As the impacts of COVID-19 continue, there could be further impact on the Association, its citizens, employees, suppliers and other third party business associates that could impact the timing and amounts realized on the Association's assets and future ability to deliver services and projects. At this time, the full potential impact of COVID-19 on the Association is not known. Although the disruption from the virus is expected to be temporary, given the dynamic nature of these circumstances, the duration of disruption and the related financial impact cannot be reasonably estimated at this time. The Association's ability to continue delivering non-essential services and employ related staff, will depend on the legislative mandates from the various levels of government. The Association will continue to focus on collecting receivables, managing expenditures, and leveraging existing reserves and available credit facilities to ensure it is able to continue providing essential services to its citizens.
