Plant Species			
Common Name	Invasive/Native/ Non-Native	Species Abundance	NOTES
Eastern White Cedar	Native	SC	
White Spruce	Native	SC	
Lesser Periwinkle	Invasive	DP	
Common Reed	Invasive	DP	Dominant cover in section of site
Garlic Mustard	Invasive	DP	Multiple dense patches on site
Stonecrop	Non native	DP	
Black Medic	Non native	SC	
Dandelion	Non native	SC	
Weeping Willow	Non native	SC	
Nettle Spp	Invasive	SC	
Manitoba Maple	Invasive	SC	
Lily of the Valley	Invasive	SC	
Daffodil	Non native	SC	
Black Locust	Invasive	SC	
Common Hyacinth	Non native	SC	
Eastern White Pine	Native	SC	
Eastern Cottonwood	Non native	SC	
Red Osier Dogwood	Native	DP	
Broadleaf Cattail	Native	SC	
Sensitive Fern	Native	SC	
Japanese Knotweed	Invasive	DP	
Daylily	Invasive	DP	
Alternate-leaf Dogwood	Native	SC	
Tamarack	Native	SC	
Creeping Jenny	Invasive	SC	
Trout Lily	Native	SC	
Rough Horsetail	Native	SC	
Goldenrod Solidago	Native	SC	
Staghorn Sumac	Native	SC	
Wild Carrot	Non native	SC	
Siberian Squill	Non native	SC	
Trembling Aspen	Native	SC	
Sugar Maple	Native	SC	
Red Oak	Native	SC	
White Ash	Native	SC	
Scots Pine	Invasive	SC	
Common Mullein	Non native	SC	
Broadleaf plantain	Non native	SC	
Goutweed	Invasive	SC	
Japanese-lantern	Non native	SC	
Spotted Dead-nettle	Invasive	DP	
Rumex Spp	Non native	SC	

Native - 38%
 Non native - 31%
 Invasive - 31%
 *Species percentages (%) - not necessarily equivalent to area coverage

<input type="checkbox"/> Bees	
<input type="checkbox"/> Butterflies	
<input type="checkbox"/> Moths	Old egg hatch from Spongy Moth

Date: 20/04/2023

Site Location: JT Payette Memorial Park
Address: 67 Edward St, Penetanguishene, ON L9M 1J8
Approximate Area to be Naturalized/Enhanced: 10,000 m2

Abundance Codes:
 SP: Single Plant
 SC: Scattered Plant
 DC: Dominant Cover
 DP: Dense Patch

Soil Type: Clay **Light Conditions/ Percent Shade Coverage :**
 SUN

Site conditions/accessibility: Parking at Tom Coffin Memorial Park

Plant Species			
Common Name	Invasive/Native/ Non-Native	Species Abundance	NOTES
Coltsfoot	Invasive	SC	
Trout Lily	Native	DP	Small but dense patch
Honeysuckle	Invasive	SC	
Wild Carrot	Non native	SC	
Canada Thistle	Invasive	SC	
Garlic Mustard	Invasive	SC	
Common Burdock	Invasive	SC	
Goldenrod Solidago	Native	SC	
Dandelion	Non native	SC	
Common Juniper	Native	SC	
Red Raspberry	Non native	SC	
Silver Maple	Native	SC	
Staghorn Sumac	Native	SC	
Black Cherry	Native	SC	
Virginia Creeper	Native	SC	
Common Mullein	Non native	SC	
Glossy Buckthorn	Invasive	DP	
Sugar Maple	Native	SC	
Red Oak	Native	SC	
Curly-leaf Burdock	Invasive	SC	
English Ivy	Invasive	DP	Competing with Periwinkle
Strawberry	Native	SC	
Periwinkle	Invasive	DP	
White Birch	Native	SC	
Canada Mayflower	Native	DP	
Trembling Aspen	Native	SC	
Pin Cherry	Native	SC	
Bull Thistle	Non native	SC	

Native - 50%
 Non native - 18%
 Invasive - 32%
 *Species percentages (%) - not necessarily equivalent to area coverage
